

2nd July 2026

Re: Information for Parents and Carers

Please find attached the *Information for Parents and Carers* booklet, which includes key details about life at Rushcliffe, such as uniform guidance and curriculum information. An accompanying FAQs document is also included to support your understanding of the school. We appreciate that you may have questions—many will be addressed within these documents, and there will be a further opportunity to ask questions at the Year 6 Induction Evening.

Within the booklet, you will also find information about uniform suppliers. In addition, we will be holding a second-hand uniform sale at school on the evening of 8th July, as outlined in our previous letter.

If your child has any specific medical needs or requires medication that we should be aware of for induction or September, please refer to page 7 of the booklet and contact Samantha Girvan (School Nurse). More general medical information will be collected via an online form later this term.

Yours faithfully

Laura Munro
Assistant Principal

Summary

- Information for parents and carers booklet is attached.
- Please refer to the 'First Aid and Medical information' in that booklet if your child has any specific medical plans or medication that we need to be immediately aware of for the induction day or immediately in September. For more generic medical needs, we will send out an online form before the end of the year to complete.
- Rushcliffe Induction Day is on Wednesday 8th July
- Uniform suppliers' information is also attached, and the uniform requirements are located in the back of the information for parents and carers booklet.

Actions needed by parents/future pupils:

- Read information for parents' and carers booklet.
- Contact the school nurse for severe medical needs or if your child takes regular medication that we need to store in school.
- Note the date of your child's induction day – 8th July is Induction Day for students and is the induction evening for parents.
