Re: Meet the Tutor Team

Dear parents/carers and future Rushcliffe student,

Over the last few weeks, I have been reading your 'All about me' letters and it was lovely to welcome you all to Rushcliffe on the induction day yesterday. I was overwhelmed by the amount of time and effort many of you must have put into your 'All about me' letters. As a keen traveller and sportsperson, I especially enjoyed reading all about how active each of you are and the adventures you have planned for your summer break. Further to this, I am extremely envious of those students who can or are learning to play musical instruments. Likewise, I hope you have had the chance to read Miss Sherwin's letter and hopefully feel like you know your Head of Year a little better now. It has been a pleasure to read about all the things you are most looking forward to when you arrive and I look forward to welcoming you into our community in September.

We are working hard behind the scenes to ensure your transition is as smooth as possible. Over the past month Miss Sherwin, Miss Hewitt and I have had the absolute pleasure of meeting most of you, either in your Primary Schools or at Rushcliffe and we thank you for making us feel so welcome. Alongside the presentations we delivered and questions we answered, we also met with your teachers to learn more about each of you. This information includes your aptitude for learning, your strengths, areas for development, pupils whom you work well with and any other relevant information that might help us and you during this transition. This has certainly proven immensely powerful, and we all feel this will ensure a comprehensive handover from your primary schools. I certainly feel that with the combination of our communication with your teachers and your letters that I already know many of you and I am confident that your tutors will feel the same when they receive the information from me.

You will be happy to know that I used this information to create your tutor groups. I have attached to this letter the 'Meet the tutor team' booklet. This is a fantastic opportunity for you to get to know your tutor and key people in the Year 7 team. If you didn't get the chance to meet them at Induction Day, they will be ready to welcome you on our Year 7 Induction Day in September.

Yours faithfully

Laura Munro
Assistant Principal
